

## L. Erickson Company - **Hair Loss Resource**

It is our mission to provide, free of charge, one beautiful It's A Wrap® or Good Wishes Scarf to women and children experiencing the thinning or loss of hair as a result of illness or treatment to, in some small way, ease their journey. Our goal is to provide a bit of comfort and share the power of positive thinking and good wishes with these individuals on their path to healing and recovery.

The program is simple. Contact us and we will send you or your loved one an It's A Wrap or Scarf in the pattern and color of your choosing for free (international requests will need to pay shipping). These items are made from soft and silky, hand-picked breathable fabrics and come with the support and Good Wishes of all of our staff.
