2025 AOSW Annual Conference
June 11 - 13, 2025
Instructions for Claiming Continuing Education Credits

Follow these important steps in order to receive a CE certificate:

1. Track your session attendance on the personal **attendance log** above. Write in the session titles that you attend and keep this resource to aid in the completion of your online evaluation.
2. Participants will not be required to scan in and out of sessions at this year's conference. In lieu of badge scanning, participants will receive a notification through the conference app each day with a link to an online form with a list of that day's sessions. You will be required to complete this form to indicate which sessions you attended. This attestation is required to qualify for CE credit. The conference evaluation is still required in order to obtain a CE certificate. The links will also be posted on the <https://aosw.org/annual-conference/2025-continuing-education/>.
3. Participants who purchase CE, will receive an email within one (1) week of the conference with instructions to complete the online CE evaluation. You will be able to immediately download your CE certificate upon completion of the evaluation.
4. Please complete your evaluations by **July 18, 2025**.
5. For more information on CE credit, evaluations and recordings, visit <https://aosw.org/annual-conference/2025-continuing-education/>. If you have any questions, please contact AOSW Education Manager, Melanie Hein at mhein@aosw.org.
